REMARKS

Issues Raised in the Office Action

Claim 1 is currently pending in the application as claims 2 and 3 are cancelled by this paper. In the Office Action dated July 29, 2005 claims 1 and 2 were rejected, claim 3 received an objection as being dependent on a rejected base claim.

By this Paper the Applicant has combined the subject matter of Independent claim 1 with the subject matter of dependent claim 3. Amended claim 1 is, therefore, believed to be in condition for allowance.

Reconsideration of the application as amended respectfully is requested. The foregoing is believed to be responsive to every matter raised in the office action. However, if some matter has been overlooked, an opportunity to correct the oversight would be appreciated.

Respectfully submitted,
